

All honorably discharged veterans are entitled to a flag and grave marker. Some veteran survivors may be entitled to other monetary compensation from the Veterans Administration. For example, when a veteran's death occurred within a VA approved facility, was service connected or occurred while drawing a VA pension.

Recently passed legislation requires service branches to furnish service personnel to fold the flag and to play "Taps" for a graveside service. These new service offerings are in addition to Full Military Honors.

The [Newberry County Veterans Affairs office](#) will gladly answer any specific questions regarding VA benefits and can be reached through their
